JWPTA

Just a reminder for anyone shopping online, please register for Easyfundraising to support the PTA in raising funds for your children. Details are in the school newsletters, available on the school website or on the JWPTA website page.

Additionally, the PTA have reported to me that occasionally they receive parental emails, via their JWPTA email address, detailing student absence or other school issues. I would reassure you that these are deleted but please be careful when sending personal emails that they reach the correct email addresses. These are available on the school website.

The next PTA event is **Friday 1 February: Quiz Night 7.30pm**

Bad weather

Hopefully this will not be a factor but a reminder that in the event of a potential school closure we will update the school website, our Facebook page, inform local radio stations and send a message via Insight to all parents.

Parents and students can keep up to date with all events via the school website and our Facebook page.

The latest school newsletter will be published during the last week of this term.

Yours sincerely
